REPORT NO. E596511

CASE # 2016-00020553

DATE AND TIME
OF COLLISION

10/15/16 01:28

NARRATIVE

Today 10-15-16, at approximately 0128 hours, I responded to a collision that occurred near the 700 block of Frontage RD in Lake Stevens. The collision involved 2 vehicles, which was reported to be non-injury and non-blocking.

Upon arrival, the collision actually occurred near the 700 block of State Route 9 NE in Lake Stevens. A WA State Patrol Trooper was already on-scene and had collected Unit 1 and Unit 2's driving documents. The Trooper advised the driver of Unit 1 was possibly DUI, where he would be administering standard field sobriety tests. At that time, I informed the Trooper I would complete the collision report.

As I contacted Unit 2, he stated he and Unit 1 were both turning left from SR204 to head northbound onto SR9 NE. Unit 2 stated he was in the outside lane and Unit 1 was in the inside lane. In midst of making the left hand turn, Unit 2 stated Unit 1 drifted over into his lane and collided into his vehicle behind the driver's side door. At that time, both vehicles pulled over onto the east shoulder of SR9 NE.

The driver of Unit 2 stated he did not suffer any injuries, where he refused the need to be seen by Aid. Unit 2 did not show any visible damages, where the driver refused the need for a tow.

Upon my original contact of the driver of Unit 1 to confirm his information, I could immediately smell the odor of alcohol coming from his breath. Unit 1's speech seemed slurred as he described the events that occurred. Unit 1 confirmed Unit 2's statements of their direction of travel, but stated Unit 2 collided into his vehicle. Unit 1 stated he was not injured, where he refused the need to be seen by Aid.

At that time, I completed an exchange of information for both Unit 1 and Unit 2.

Upon the completion, I observed the Trooper already in the process of administering standard field sobriety tests to the driver of Unit 1. During the one leg stand test, the driver of Unit 1 was not comprehending the Trooper's instructions, where the Trooper had to clearly repeat himself several times before the test could continue. I observed the driver of Unit 1 stagger off balance several times, during the instructions and during the actual testing of the one leg stand.

Reference WA State Patrol case #2016-030322 for further details of the DUI report.

At approximately 0148 hours, the driver of Unit 1 was placed under arrest of DUI. After the driver of Unit 1 was secured into the Trooper's vehicle, I gave the Trooper Unit 1's exchange of information and all driving documents back. The Trooper advised Speedway Towing was en route for the DUI tow.

At that time, Unit 2 had already been given his exchange of information for his insurance purposes and had driven away from the location.

This concluded my involvement, where I cleared the location.

Officer C. LYONS #134, Lake Stevens Police
